Formula Racing's preparations for the 2010 International Le Man's series is underway, with a new P1 and GT entry the team has begun testing for the 2010 season. Competiting at VOR and Champion motorsports, along with the ERL endurance leagues. With first tests and races at the famous Belgium track of Spa the team settled into the new Ferrari F430GT car. Working on set up's for the forthcoming season in VOR and Champion leagues. A good start to the teams first runs in a GT car with Mark Bos taking the wheel for the first event. For the teams first GT race we competed in the Champion Motorsport 'World Division' league event. The team were pleased to take the first 3 places on the start grid, with Mark Bos taking the poleposition from Anders Nillson and Phil Roberts in 3rd place. [Results](#) | [Replay](#)

A good start from Mark got the Ferrari into the lead for lap 1, a lead never given up. Leading ever lap of the 90 minutes race to come home 1st in a good debut for the teams F430GT Ferrari. Anders was jumped by the fast starting Neal Johnson in the Porsche 911 and battled hard for the first few laps. Phil got off to a bad start but battled his way back through the traffic before a final off destroyed his car.
